**INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 CFR 1.97 AND 1.98**

**Commissioner for Patents**

P.O. Box 1450

Alexandria, Virginia 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.97 and 37 CFR 1.98 and in compliance with 37 CFR 1.56, Applicant hereby makes of record the patents, publications, or other information listed on the attached Form PTO/SB/08A. Applicant respectfully requests that the Office consider the patents, publications, or other information and make these of record in the subject application.

The above identified patent application is being or was filed after June 30, 2003, such that copies of each cited U.S. Patent and each cited U.S. Patent Application Publication are not required to be submitted, see 37 CFR 1.98(a)(2)(ii). However, copies of the remaining patents and publications, if any, are enclosed herewith. None of the patents, publications, or other information being provided discloses the inventive concepts claimed in the subject application.

Regarding the "Volkswagen AG drawings" non-patent literature document listed at Cite No. 4 on the form PTO/SB/08a, these drawings were provided as part of an Opposition filed

against the corresponding European application (the Opposition itself if also included). It is our understanding that these drawings are dated October 17, 2001. As currently understood, the undersigned respectfully asserts that this information is not prior art under 35 U.S.C. §102.

A concise explanation of the relevance of the listed foreign language patents, publications or information, as presently understood by the individual designated in 37 C.F.R. §1.56(c) most knowledgeable about the content of the information, is as follows:

<b><u>Foreign Document</u></b>	<b><u>Explanation of Relevance</u></b>
EP 1 036 910	The relevancy of this document as presently understood is obtained from the English language abstract and figures which indicate that this document discloses a seal arrangement.
JP 60-76420	The relevancy of this document as presently understood is obtained from the English language abstract and figures which indicate that this document discloses a glass run.
EP 1 316 456	The relevancy of this document as presently understood is obtained from the English language abstract and figures which indicate that this document discloses a sealing profile for a stationary window pane of a motor vehicle.

Submitted herewith is an English translation of the following foreign language patents, publications or information or of portions of those patents, publications or information listed on Form PTO/SB/08A.

Pages 2-7 and pages 138-153 of the Notice of Opposition against European Patent No. EP 1 545 920 by Metzeler Automotive Profile Systems GmbH dated January 9, 2009, 17 pages.

Submitted herewith is an English language version of a search report from a corresponding PCT or European patent application which lists the patents, publications, or information on Form PTO/SB/08A and indicates the degree of relevancy found by the International Searching Authority of the PCT or the European Patent Office.

The Information Disclosure Statement is being filed before the mailing date of a final action or a notice of allowance and Applicant elects the option to pay the fee set forth in 37 C.F.R. §1.17(p) for submission of this Information Disclosure Statement. Enclosed is the fee of \$180.00 or please charge the **\$180.00** fee to Howard & Howard Attorneys PLLC **Deposit Account No. 08-2789**.

In addition to the above, the Commissioner is authorized to charge Howard & Howard Attorneys PLLC Deposit Account No. 08-2789 for any additional fees or credit any overpayment.

Respectfully submitted,

**HOWARD & HOWARD ATTORNEYS PLLC**
